

## **Principle of Engineering Crisis Shut Down Work**

**Google Classroom Code sgrdwj2**

**Additional Help will be posted on Google Classroom. Complete questions and quizzes posted on line.  
Email: [dchivers@fairborn.k12.oh.us](mailto:dchivers@fairborn.k12.oh.us)**

March 17-18: Review of Simple Machines Levers. Watch any videos or PowerPoints posted on google classroom. Complete review problems 1-4.

March 19-20: Review Gear Ratios. Complete review problems 5-10.

March 23-24: Review Simple Machine Inclined Planes and Screws. Complete review problems 11-16

March 25: Review Pulleys and Work. Complete problems 18-19

March 26-27: Review Electrical Circuits. Complete problems 20-24

March 30-31: Review Thermodynamics. Complete problems 25-28 b

April 1: Review Stress Strain. Complete problem 30.

April 2: Review Beam Bending. Complete problem 31

April 3: Thermodynamics Again. Complete problems 32-37
