

# Fairborn High School School Supply List

## Essential Items:

The high school supply list is a general list. All students will need a plentiful supply of the essential items listed below throughout the school year:

- calculator\* - *for personal classroom use and standardized testing.*
- headphones/earbuds – *for personal use in classrooms and for computer tests*
- 5-7 Spiral notebooks (1 subject, at least 70 pages) – *preferably in different colors for easy organization*
- 3-ring binder or two-pocket folders - *tip: match colors to the spirals for easy organization*
- highlighters
- loose-leaf (lined) paper
- pens – *blue or black ink*
- #2 pencils – *mechanical pencils are OK for class, but traditional wooden pencils are REQUIRED for tests*
- colored pencils (*12- pack preferred*)
- pencil pouch to carry your basic supplies
- Chromebook laptop computer (***The school provides this for you!***)\*\*

\* The recommended model is the **TI-30XS** (or the **TI-36Pro**), but this is not a requirement. Some higher level mathematics/science classes require a graphing calculator with much more sophisticated functions. Check with your teachers for calculator recommendations.

\*\* The school provides a Chromebook for students to use, free of charge, pending a signed agreement.

## Recommended Items:

Because there are different supply needs for the various classes at high school, some courses require you to have additional school supplies that are not listed under the Essential Items list. **The teacher in each course will give you information about what other items you may need and what time of year you will need them.** If you have any questions, please contact the teacher. The following list contains a few of the additional supplies that are strongly recommended because they are most commonly listed for high school courses, but not every student will need them:
