We want to be able to highlight your personal attributes, skills, abilities, and special talents. We would like the recommendation to make you stand out to the college/scholarship committee to which you are applying. Please answer the questions below to help us write a well-rounded recommendation.

1. Please discuss how your involvement within school activities has affected you.

2. Please discuss your activities outside of school. What have you participated in and how has it affected you?

3. Please discuss any recognitions, awards, or certificates you may have received, and any contests you have entered (whether you won or not).

4. Please discuss any current or previous work and/or community service involvement, including how many hours you work(ed) and what the job/community service has taught you.

5. Please provide any other information you would like to share (challenges, skills, achievements, etc.).
