

Mrs. Lanning April 6 - April 24
Current Events Remote Learning/Discussion Board

*All Information/assignments will be distributed using google classroom.

-Please check at the beginning of each week

*Each week I will post a video/article on google classroom. You will be responsible for watching/reading the story. You will then be responsible for posting on the discussion board section of google classroom by doing **2 or more** of the following EACH WEEK:

Option #1. State three facts that you learned

Option #2. Express two feelings that the story made you feel AND WHY they made you feel this way.

Option #3. Create two questions that you still have (that you really do not know the answer to).

Option #4. Express one idea that this story gives you about life.

*I would really like to see a discussion occurring on these boards over the next few weeks. So if you truly have something meaningful/appropriate to say dealing with the story's topic, PLEASE respond to each other's answers.

*Your posts will be **due by Friday each week**. HOWEVER, I will be looking throughout the week and also making comments.

Lastly,

I want to remind you all that you are champions. Whether you realize this or not you are really going through a moment in history and I appreciate all of you who are being so flexible and more importantly POSITIVE during this time. If you ever feel overwhelmed, frustrated, or simply need to vent, PLEASE feel free to email me using your school email. I am here for you and WE WILL GET THROUGH THIS. Take this day by day and keep your head up. You rock!!

If you ever need to have a google meets to get organized, get help with work, vent, or even just see my ugly face please, please, please let me know and I can make it happen. The google meets keep me sane :)
