

Dear Artful Chemistry Students,

Check your school Gmail, and Google Classroom every day. I will use Google Classroom as the primary method of communicating with you and posting assignments. I have been tinkering with some apps that could allow us to video chat, but I don't feel like I can depend on that at this point. If I send you directions to try a video chat, I would love for those of you that are able to give it a try. I am going to miss your faces for the next few weeks!

You may complete assignments on paper or submit online through Google Classroom. To attach a photo in Google Classroom you must save to your FHS Google Drive from your phone. Then you will be able to add an attachment in the assignment in Google Classroom. For the next 3 weeks please DO NOT e-mail me documents - it will get unmanageable quickly.

Google Classroom Codes

Period 5 d3rd7ir

Plans for Week of 3/16 - 3/20

- Complete and Submit your Pigment Poster project (due 3/18)
- Watch 2 Posted Videos over Organic Nomenclature (due 3/20)

Plans for Week of 3/23 - 3/27

- Complete Introduction to Organic Chemistry Nomenclature Part A (due 3/23)
- Complete Nomenclature Part B (due 3/25)
- Complete Nomenclature Part C (due 3/27)

Plans for Week of 3/30 - 4/3

- Complete Nomenclature Part D (due 3/31)
- Complete Molecular Modeling Project (due 4/1)

Know that I will be thinking of you, I am here to help, and that we will get through this and life will go on. Instead of focusing on what we don't have or what we can't control - let's keep in mind all of the things we do have. We cannot control everything that happens to us in life - but we can always control how we react to things.

Much Love,
Mrs. Lehner
