

Mr. Mosconi – vmosconi@fairborn.k12.oh.us

Astronomy Google Classroom is the primary communication system. ALL students have the classroom code and have joined the classroom

- We are progressing thru Stars and Galaxies for the remaining quarter.
- Text reading, HW problems, simulations, Work packets and videos will be posted on Google classroom several times a week. Students can ask questions by direct email or by posting within Google classroom.

Honors Physics Google Classroom is the primary communication system. ALL students have the classroom code and have joined the classroom

- We are progressing thru Wave motion and then Optics.
- Text reading, HW problems, simulations, and videos will be posted on Google classroom several times a week and LIVE Zoom sessions will be offered 3 days a week for teaching, questions and explaining the concepts.

AP Physics 1 Google Classroom is the primary communication system. ALL students have the classroom code and have joined the classroom

- We have completed ALL material that will be on the AP exam! So our focus will be to continue to review all the course topics in preparation for the AP Exam AND for the final Classroom exam.
- Problems will be posted on Google classroom several times a week and LIVE Zoom sessions will be offered 3 days a week for questions and explaining the problem completion
