

Assignment 1: Circles unit

- Use the notes key to complete all notes for each section
 - Use the Khan Academy videos to help with understanding and to complete more practice problems
 - [Khan Academy videos and practice problems](#)
 - I will be doing Instagram live to answer any questions that may need answered
 - Instagram: ms.simps
 - Live times: daily 11:00 am
- Complete each homework assignment
 - Only complete the odd problems for each assignment
 - Once complete, take a photo of the assignment and upload the photo to Google Classroom
 - All assignments will be due by **March 30th at midnight** to Google Classroom
 - I suggest uploading as you complete them
 - If you submit after the time stamp, it will not be accepted

Assignment 2: Selfiometry

- [Directions](#)
- For submitting
 - You will create a Google Slides with your pictures and submit your slides to Google Classroom
- This will be due **April 5th at midnight** to Google Classroom
 - If you submit after the time stamp, it will not be accepted
