

Physical Science

There are 5 assignments in the Physical Science and Math folder.

1. The Atoms Family - Due Friday, March 20, 2020.
2. Periodic Table - Due Tuesday, March 24, 2020.
3. Periodic Table Packet #1 - Due Tuesday, March 31, 2020.
4. Show What You Know - Due in April when you return.

You will also have an Energy Efficiency Education workbook 2019-2020.

- Go to Ohio Energy Project
 - Go to Family Installation Survey
 - Find your school district
 - Find your school
 - Find your teacher
 - Put in the password: wade
 - Complete the survey
 - Click submit when completed

You will receive an Energy Efficiency Education Kit. Use the kit to help complete the projects in the workbook. Enjoy completing assignments. Be aware. Some of the projects you have completed. If you would like to do them again, that would be great!

Math

- Powers of Products and Quotients
- Exponents of Multiplication and Division
- Two-Step Equations W/ Integers
- Distributive Property (A)
- Substitution Method

For math we will do 2 problems per day.

We will also work on "CK-12" website.

- Go to CK-12
- Join through Google
- Input class code: lgo7m
- Give yourself a character or a name

Assignments have not been posted yet, on purpose! We will start working on the website on Wednesday this week.

Contact me if you need any questions at: 937-750-6035 or jwade@fairborn.k12.oh.us

Take pictures and send completed work through email.
